This report is written by Officer Carlos Felix, assigned to the License Investigation Unit, Day Shift. The Milwaukee Police Department's investigation regarding this application revealed the following:

1. On 07/04/2024, at 3:27 PM., Officers responded to 540 N. 27th St., Buffalo Boss, for a Shooting. The victim sustained a gunshot to the left flank while driving and was able bring their vehicle to a stop in the Buffalo Boss parking lot, where officers made contact with them. An officer spoke to a cashier at the business whom refused to identify herself. The officer made a requested to review the parking lot surveillance camera footage, but the cahier stated the owner only had access to the system. There was no manager on scene, and the cashier would not provide the owner's contact information to the officer. A short while later during the investigation a detective made contact with a male employee at the business and requested access to surveillance footage. That male stated the cameras were not working, and the detective pointed out the security monitor. The male replied he would not allow police to review it. The importance of reviewing security footage due to the victim's vehicle being parked directly in sight was explained, but both employees were uncooperative with officers. An officer made contact with the owner who stated he would check security footage and notify officers if he observed anything related to the incident.

LICENSED PREMISE REPORT

Obregon, Antonio 024047

07/04/2024

This report is written by *P.O. Antonio OBREGON*, assigned to District Three Early Power shift, *Squad 3233*.

On 07-04-2024 at approximately 3:27 p.m. P.O. Ryan SHARP and I were dispatched to a Shooting complaint at the location of 540 N. 27th Street.

Upon *my/our arrival* I observed a white SUV in the parking lot of the aforementioned location, also known as the fast-food restaurant, Buffalo Boss. The vehicle was parked in the Southeast corner of the lot and there was a black male standing outside of the vehicle, later identified as Cameron L. SANDIFER (b/m 12-31-1994). The male was shot to his left flank and the vehicle also had bullet holes in it. There was also a small child in the vehicle as well as another male. Due to having a large scene this required the response of 6 District Three Squads to block traffic, hold on evidence and maintain crowd control.

The caller to 911 was the victim in this incident. The only information provided to 911 prior to our arrival was that he had been shot and he was at the location of N. 27th Street and W. Michigan Street.

See Detective's supplemental reports regarding the interviews of witnesses and other people involved.

I spoke to licensed premise employee who was a cashier. She was a middle-aged heavy set black female that did not wish to provide her information and did not witness the incident. It was determined that the incident did not happen in the parking lot of the business, however the victim did drive his vehicle into the moments after the shooting occurred only a block away. Due to observing cameras on the outside of the building I asked if I was able to review video and I was informed by the cashier that the only person who could watch it was the owner. She did not want to provide me his number but did say his name was Taj Pearsall.

An MPD records check of this name and address allowed me to ID the owner as Taj M. PEARSALL(b/m 04-21-1975). I then asked if I could speak with a manager in hopes they might have the owner's number, but I was told there was not a manager working. I then ended my contact with the cashier. Later during the investigation Det. MALAFA went back inside the business and spoke with a different employee who was uncooperative. The employee was described as a medium build black male wearing a cowboy hat and black t shirt.

Det. MALAFA asked the subject if there was video at the business while looking at the tv monitors for the video and he was told they did not. After confronted about the monitors the Detective was then told

they did have working cameras, but he was not going to allow police to review it. The Detective explained how important it was to the employee that he review footage, but he was still informed he was not going to cooperate with the investigation and did not feel like he had to. The Detective was also provided the owners information but has not been able to reach him.

If video is not able to be reviewed a search warrant will be drafted to obtain evidence from video surveillance. These cameras in the lot are point directly where the vehicle was located and entered.

It should be noted that I did make contact with the owner of the store via phone. He was very cooperative and stated he would be checking his video and would notify us if anything was observed related to our investigation.

End of report.
