Since I will not be able to attend the mtg. on July 23, 2019, I am sending =
this email to you and the members of the zoning, neighborhoods & development=
committee. my wife and I own the property at 7000 n. 124th street in Milwa=
ukee and have for the last approx. 21 years. we love our house and property=
and its exclusive location. we feel that this western bldg. products devel=
opment will harm our retirement years and the plans we have made for our fu=
ture. we are both 72 yrs. old and if this plan goes forward, it will effect=
us physically and monetarily and environmentally. we will not be able to r=
eap any rewards from the sale due to the inadventagous location directly b=
ehind westerns location, and the noise from the truck docks, unless contain=
ed, would prohibit any opening of windows in the evening or at any other ti=
me. also the retention pond would not be sufficient to keep water runoff fr=
om being dumped into the Menomonee river, which would flood our property.=
=C2=A0 in these times of global warming, whether you believe in it or not, =
this could be catastrophic to our property and our lives. my wife retired f=
rom MPS in 2011, and unlike a lot of retirees, we chose to stay in Milwaukee=
.. now this is looking like we made a big mistake. I'm sure whatever I say w=
ill not stop this building, but I hope something can be done to alleviate t=
he impact of this project. thankyou. Tim and Kathleen Heyne, 7000 n. 124th =
street, 53224.=C2=A0 Please send a copy to khalif.rainey@milwaukee.gov and =
