File # 051530 authorizing and directing is a resolution authorizing and directing the Department of Employee Relations to submit the necessary application documents for self-insurance status (Worker's Compensation) to the State of Wisconsin.

**Background**

This resolution authorizes the City of Milwaukee Department of Employee Relations (DER) to submit documents to the State of Wisconsin in fulfillment of the requirement to apply for self-insured status for the provision of Worker's Compensation benefits.

**Discussion**

1. The State of Wisconsin requires that employers who are self-insured for Worker's Compensation apply to the Department of Workforce Development for this status at the end of April on a triennial basis.
2. DER has prepared the necessary application materials and requires this Common Council resolution stating the City of Milwaukee's intent and agreement to be self-insured.

**Fiscal Effect**

There is no fiscal effect related to the adoption of this resolution.
