Please correct in Pay Range 867 the title for Assistant Fire Chief. This title change was originally made in Common Council file #020623, 10/15/02. The old title has been inadvertently being used. The Salary Ordinance should be amended as of October 15, 2002 as follows:

In the Salary Ordinance, delete the title "First Assistant Chief Engineer 1/" and add the title "Assistant Fire Chief 1".

Thanks !!
