To the Public Improvements Committee

Subject: Common Council Resolution File Number 020513

Dear Honorable Members:

Returned herewith is Common Council Resolution File Number 020513, being a request by Gary Johnson on behalf of G. Daddy Inc./SHASHA LLC for a special privilege to install, use and maintain an excessive door swing projection encroaching into the public right-of-way of East North Avenue, abutting the building at 2022 East North Avenue.

The request is to install, use and maintain an excessive door swing encroachment, which is centered approximately 70 feet east of the eastline of North Farwell Avenue and that projects, when fully open, 3 feet into the 15-foot wide north sidewalk area of East North Avenue. This is greater than the 12-inches allowable by Section 245-4-8 of the Milwaukee Code of Ordinances.

We are not aware of any adverse effects the door swing projection will have on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolution, that, if adopted, would allow the excess of the door swing into the public right-of-way.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Mariano A. Schifalacqua
