To the Honorable
The Board of Fire and Police Commissioners
200 East Wells Street, Room 706
Milwaukee, Wisconsin 53202

Dear Commissioners:

The Eligible List for Heavy Equipment Operator, which was adopted on January 7, 2021, is projected to be exhausted by the early summer of 2021, due to upcoming retirements and associated promotions. As it doesn't officially expire until January 7, 2023, I thought I would bring it to your attention now, so the assessment planning process can begin. The Heavy Equipment Operator position, as driver and operator for our fire apparatus, is essential for the department's efficient functioning.

It is respectfully requested that an examination be conducted and a new eligible list be established as soon as possible. Department members are available to assist Commission staff with this request. Your consideration in this matter is greatly appreciated.

Respectfully,

AARON LIPSKI
Acting Chief
