To the Public Works Committee

Subject: Common Council Resolution File Number 140467

Dear Honorable Members:

Returned herewith is Common Council Resolution File Number 140467, being a resolution to grant a special privilege to Seeds of Health Incorporated to keep and maintain a concrete step and masonry fence pillars in the public right-of-way for the premises at 1445 South 32nd Street.

The applicant is requesting permission to keep and maintain portions of five masonry fence pillars and a concrete step which were constructed by a previous property owner. Said items are located near to the intersection of West Orchard Street with South 32nd Street and project into the west sidewalk area of South 32nd Street. All of said items are located behind the main paved public sidewalk and, so; do not interfere with pedestrian traffic.

We are not aware that the presence of said items will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolution, which, if adopted, will allow said items to occupy the public right-of-way.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Ghassan Korban
Commissioner of Public Works

Art Dahlberg
Commissioner
Department of Neighborhood Services
