Ms. Pegi Christiansen
IN:SITE
4543 S. 113th Street
Milwaukee, WI 53228

Dear Ms. Christensen:

This letter is to confirm that the Neighborhood Improvement Development Corporation (NIDC), an affiliate of the City of Milwaukee's Department of City Development, has approved a \$20,000 Healthy Neighborhoods grant to IN:SITE to assist with the implementation of the Art on Fond du Lac project which will be taking place during the Summer of 2013.

A requirement to be considered for a grant under the Healthy Neighborhoods Program is that grantees secure at least a dollar for dollar match for all City/NIDC funds requested. The amount of resources that IN:SITE and your partners have leveraged to carry out this project has been impressive and NIDC is proud to support these efforts to improve this major corridor in the Johnsons Park and Sherman Park Healthy Neighborhoods.

We look forward to working with you on this project throughout the summer. If you have additional questions you may contact NIDC Community Outreach Liaison Vanessa L. Llanas at 414-286-5626.

Sincerely,

Sam Leichtling
NIDC Program Director
