APPEAL for letter

JULY 23, 2013

GRANT F. LANGLEY  
CITY ATTORNEY

my name is Bruce E. NARTEN Jr  
writing in response to your letter  
denying my claim.

So I am writing with hopes that  
you will reconsider your decision  
I'm in total shock that you  
didn't feel that my almost  
death experience is that important  
enough to acknowledge as a  
serious enough situation to cons-  
-ider as any grounds to GRANT  
me any type of reimbursement

Conditoning everything happen  
on the City of Milwaukee's  
property.

This is unconstitutional and  
even though you've got and  
escape route by in facting Wisc.  
Act 132 to cover your self's  
but the fact of the matter  
is your streets destroyed my  
car!!

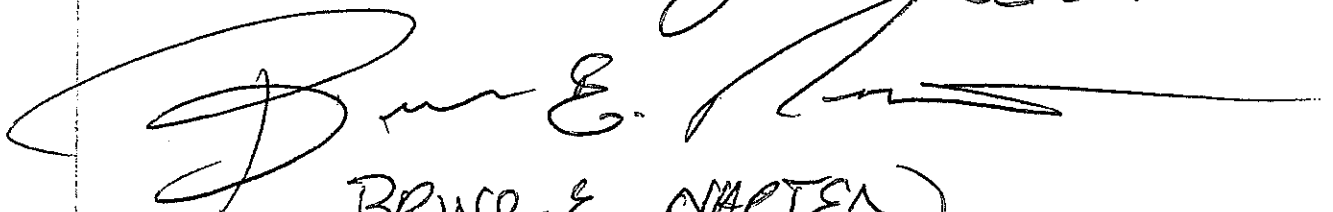

2

When I was going west bound,  
I was next to a semi-truck &  
trailer and my car almost slide  
under the truck while your  
streets were crumbling  
underneath me, separated,  
and sinking.

City of Milwaukee Sure look  
it's serious enough too look  
you have a construction signs  
from 31st thru - 34th Street  
and your repairing the street  
But my situation doesn't  
warrant any reimbursements.  
Are you serious?

I'm asking for a reconsideration  
on my claim # 2029-2013-1986

Sincerely Appreciated

OF MILWAUKEE WISCONSIN

On Sunday July 14, 2013 I  
was traveling west bound  
on CAPITAL DRIVE at approx  
4:45pm - 5:00pm.

As I approached 36th St, not  
aware of what's ahead. AT  
the same time I was driving,  
the entire street was shifting  
sinking, cracking and buckling  
as if it was a ramp.

The bottom of my car scra-  
ped the concrete and slammed  
downwards causing damage  
to my car along with bending  
all 4 of my rims and tires  
" I drive a 2006 Chrysler 300  
which this car is built low to  
the ground from the factory!!

(2)

I immediately called 5TH District M.P.D. the officer gave me the Phone Number Cityhall. I told the officer what's happening with the street and she was aware of it and stated "we're sending units there".

I called Cityhall and spoke with the operator named Jenny. She gave me the phone number to your department. I also told her what has occurred. She said she's received several calls on that situation on 36TH and Capital Drive and she had a crew going to that site immediately. Inclosed are Receipts and Estimates of damaged Property.
