Subject: File # 200284 - In support of Griselda Aldrete for FPC

Dear Mr. Owczarski and Members of the Public Safety & Health Committee,

I am writing in support of Griselda Aldrete's reappointment as Executive Director of the Fire and Police Commission (FPC).

I have known Griselda since 2012 ,since she began leading the Hispanic Professionals of Greater Milwaukee (HPGM). At the time, I was Chief of Staff at the United States Hispanic Chamber of Commerce (USHCC), and oversaw our organization's support for local organizations such as the one Griselda was leading.

At the USHCC and USHCC Foundation, we often referenced Griselda as an excellent example of the next generation of Latina leaders in our communities, and invited her to attend leadership training events and other opportunities at the national level.

I have always known her as a thoughtful, creative and dynamic professional who inspired not only her staff, but also her peers from across the country.

I have the utmost confidence in her character, integrity, and ability to continue in her current capacity.

Sincerely,

DeVere Kutscher
