Dear Plan Commission,

I am writing to request a delay in the vote of item #3 on today's meeting agenda, File #180316.

I understand the Historic Water Tower Neighborhood association would like an opportunity to work with the city and the property owner to confirm the proposed zoning revision will align with the historic character and scale of the surrounding neighborhood.

As a nearby resident, I agree that it is extremely important that any new development on the parcel is completed in harmony with the existing built environment. A delay in today's vote will allow time for this necessary coordination between all parties.

Sincerely,  
Willie Chandler, AIA
