To the Public Safety Committee

Subject: American Automobile Association  
Road Improvement Demonstration Program  
Various Locations  
Milwaukee County

Dear Honorable Members:

The American Automobile Association (AAA) Road Improvement Demonstration Program is an initiative begun in Michigan to identify and provide safety enhancements at high crash locations. AAA of Wisconsin is interested in expanding the program in the Milwaukee area, working with the Wisconsin Department of Transportation, the Southeast Wisconsin Regional Planning Commission, the Federal Highway Administration and the City of Milwaukee by identifying specific locations and providing funds to conduct safety reviews. Once the safety reviews are conducted, the AAA will work with the City to identify possible funds for the implementation of remedial measures.

We have prepared, and recommend adoption, of the attached resolution authorizing the City of Milwaukee to participate in the AAA Road Improvement Demonstration Program.

Very truly yours,

Jeffrey S. Polenske, P.E.  
City Engineer

James P. Purko  
Director of Operations
