**Subject:** Neighborhood concerns of the cactus club

Hello Marina, my name is [redacted] am a resident on the same street as the cactus club. Since the warmer weather has begun and COVID restriction have been being lifted, the cactus club has grown to be a constant reoccurring nuisance to myself and a majority to the neighborhood. The owner refuses to open her business to the public, but still survives drinks out the front door and has tables all over outside for people to congregate at, as if that is a safer method of some kind of social distancing. When they are busy and table are full, the remaining crowd just piles up on the sidewalks. People can't walk over there. Kids can't go outside and ride a bicycle around the block because of the bar patrons taking over the sidewalk. On top of that, the owner has a stage for whatever musical acts or live entertainment she wants to have, but yet she thinks it's okay to host a band a couple weeks ago and some sort of live poetry reading outside on a PA system cranked up. When the band was performing a few weeks ago, i couldn't even get down the street to my drive way because the crowd was so large it spilled out into the street and people refused to move. Milwaukee police department was called. She is always holding a used clothing sale on the sidewalk or has different venders outside selling crafts. Almost nightly

there is some sort of food truck parked out front. Russell is already a narrow enough road. And people drive like idiots trying to race the stop light. Now stick a 9 foot wide by 12 foot tall step van smack dab on the corner and all it is, is a traffic jam, and creates a terrible blind corner, for motorists and pedestrians. This is a quite residential area. The owner is beyond is respectful. She has been approved, multiple times, by lots of the neighborhoods with complaints. They are always brushed off with an "I'm sorry, it won't happen again", to the same thing happening a day later. I really hope to hear back from you in what actions can be taken. She is turning our peaceful block into her businesses free for all.

Thank you so much in advance for your time.

The owner of the cactus club does not understand that this is a residential neighborhood. I'm in my living room trying to watch tv and all I hear is a crowd of people out side the bar. COVID restrictions are over. The north side of patio needs to be shut down. This was never approved by the neighborhood. Could you please address this is issue. I never heard back from my last email.

We've tried talking to her and now she's just clearly disrespecting us. She said she wouldn't be doing stuff like this. This has been our home for over 100 years. We were trying to have a nice relaxing Father's Day.

REDACTED RECORD

This isn't the rave. It's a residential area and NOT a music venue.

I'd appreciate a reply back also, and plans on how this is going to be resolved. I'm sick of listening to loud music, and people revving their engines at 12:00am and listening to "poetry" on loud speakers. I thought their restrictions were done with after covid. How is she getting away with serving booze on that patio. That is technically not even on HER property.

Hi Marina,

**REDACTED RECORD**

I have lived on South Wentworth avenue less than a block away from Cactus Club for just over 3 years. The proximity to Cactus Club (along with the other vibrant, local businesses nearby) was a major reason we purchased a house in this part of Bay View. I have heard through the grape-vine that there has been a complaint from one of my neighbors. I'm writing to you to give you my perspective on the value that Cactus Club adds to our neighborhood.

As long as I have lived in Milwaukee (and as I have read for the decades previous), Cactus Club has been a shining light in our art scene. It has provided a space for diverse performers to entertain and inspire us. It's been an essential gathering place for conversations, dancing, football games, film screenings, fundraisers and random celebrations. Since Kelsey took ownership in early 2020 she has made numerous improvements to the building and its relationship to its neighbors. In fact, the previous owner never reached out to us (not that I expected him to!) and the frequency/volume of events is less now than it was before Kelsey took over. If on occasion a popular event draws crowds to our block along with the unavoidable traffic and noise that comes with it, I for one welcome it. Cactus Club is the best of what Bay View has to offer!

I'm sensitive to the fact that my perspective is only one of many on the block but it just didn't feel right to not let you know how I feel in light of the reported complaint. Thanks for your time and keep up the good work!

Your neighbor and constituent,

Still big loud crowds outside. Screaming and shouting. We have tried calling the business and they hang up on us. All the food trucks and all the other non sense. It's getting to be too much. It's 10:20pm on a Wednesday night. Saturday night there were people at 3:00am screaming and fighting and we were afraid it was going to escalate.

We know they were affiliated with the cactus club because some ransoms walked out around 3:30 and the group of people walked up to them to talk.

When is there a town meeting or whatever to meet about the cactus club getting a license renewal. I am FED up. Nothing is getting done to help this.

Hi Marina,

I live at 2481 S. Delaware Ave in Bay View, just two blocks away from the Cactus Club. And I would like to advocate for it. I chose to live where I live because of my proximity to Cactus Club and Rush Mor Records. I am the music director of a radio station and Cactus connects me to the community of Bay View and the larger world of music and makes our city and artistic community and culture a better place.

I love it and just wanted to advocate.

Thanks!

Hi Marina, my name is Willy Young and I live directly next door to Cactus Club at 2494 s Wentworth ave.

I would just like to let you know how much I love cactus club being a part of our community. It provides a great creative space for so many people in bayview let alone world wide. I've been attending shows here since 2011 and have met so many great people because of it.

I moved back to Bayview from Tulsa Ok back in October and when I heard there was a room available in the house next to the club, I jumped on it immediately.

It has been nothing but a positive experience and Kelsey is extremely approachable and respectful of our space. I love being able to walk out my door and grab tacos or pizza from the street vendors, let alone wander inside and see my favorite band. I work early in the morning Monday through Friday, wake up at 6:30 and leave the house by 7 am. I am in bed by 9pm every night and I have never been woken up by any noise.

All in all Cactus club is a valuable asset to our community and I look forward to attending their shows and events for years to come.
