To Whom It May Concern,

My name is Isaiah Bowie Jr. I am writing this letter to appeal your decision. I am asking the City of Milwaukee to reconsider, the decision, which was made to deny my claims. On three different occasions, I collided with potholes that caused damage to my vehicle. I have sent in my receipts for the repairs to my vehicle. The investigation by the Infrastructure Services Division (ISD) is not accurate, those potholes are present; take the time and go look. The city of Milwaukee is responsible for the damage to my vehicle, for not having safe streets.

Thank you,

Isaiah Bowie Jr.
