To the Public Improvement Committee

Subject: Federal/State Aid Project Subaccounts

Dear Honorable Members:

The Common Council has previously authorized and directed the City Comptroller to transfer funds to the subaccounts for various State and/or Federal Aid street and bridge improvement projects included in the attached resolution.

Additional funds are necessary for the estimated remaining Wisconsin Department of Transportation (WISDOT) and City of Milwaukee preliminary engineering and construction costs for these projects.

We have, therefore, prepared and recommend adoption of the attached resolution authorizing and directing the City Comptroller to transfer funds to the respective project subaccounts for the estimated remaining preliminary engineering and construction costs.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Jeffrey J. Mantes
Commissioner of Public Works
