

October 31 , 2001

To the Honorable
the Common Council
City Hall, Room 205

Dear Honorable Members:

Attached is a resolution which, when adopted, will authorize the Commissioner of Public Works to execute an agreement with SBC Global Services, Inc./Ameritech to supply communication services to the new 3rd District Police Station and Comm/Data Center.

The new facility is near completion and the final connections for the communications system need to be completed. The Agreement must be signed by a City Official empowered to execute such agreements.

We respectfully request that this resolution be adopted at the Common Council meeting on November 6, 2001 under suspension of the rules.

Very truly yours,

Mariano A. Schifalacqua
Commissioner of Public Works
