Good Afternoon Tanisha,

I am following up regarding payment for the damages toy fence. Do you know when you will be paying for the damages?

The total ?

I will forward you the text from our January 11th conversation

Good Morning Tanisha,

The total estimate for the damaged fence is \$526.95.

Terrell the repair man that came down here from your bar stated that he could get the materials and this would reduce the cost down to the labor only . The labor cost is \$75.00 per hole totaling out to \$225.00.

Do you have an email address I can send the breakdown to?
