

Equity Impact Statement

1. Describe the proposed ordinance or resolution.

Resolution to accept funding from the enters for Disease Control and Prevention (CDC) Division of STD Prevention (via WI DHS) for Year 6 of the ongoing "Strenthening U.S. Response to Resistant Gonorrhea (SURRG)" grant.

2. Identify the anticipated equity impacts, if any, of this proposal.

It is anticipated that this project could continue to improve available STI testing services and related follow-up for high-risk populations being served by Keenan Health Center and other local community/STI partner clinics.

3. Identify which minority groups, if any, may be negatively or positively impacted by the proposal.

The primary populations impacted by this project are those being served by Keenan Health Center and other partner clinics. It is unlikely that specific minority groups will be directly impacted by the proposal, either positively or negatively.

4. Describe any engagement efforts with minority communities potentially impacted by the proposal.

N/A

5. Describe how any anticipated equity impacts of the proposal will be documented or evaluated.

N/A

6. Describe strategies that will be used, if any, to mitigate any anticipated equity impacts.

N/A
