Honorable Jose Perez
Milwaukee Common Council
City Hall, Room 200
Milwaukee, Wisconsin 53202

Dear Chairman Perez,

On behalf of NAIOP Wisconsin members, I write in support of the appointment of Erica Lewandowski as Commissioner for the Department of Neighborhood Services.

In our experience working with the nominee, we are confident she holds a deep appreciation for the mission of the Department to protect the value of investments in neighborhoods, and increase economic vitality throughout the City.

We have found the nominee accessible, knowledgeable, and dedicated to these principles and believe she will be a strong advocate for safe and healthy communities in the City of Milwaukee.

Thank you for visiting with us recently and your leadership. We value your counsel and hope you will give strong consideration to our support of Ms. Lewandowski's appointment.

Be well,
