April 28, 2022

Dear Alderman Kovac,

On April 21, 2022, the Board of Directors of the East Side BID #20 voted unanimously in favor of the proposed development of a new affordable apartment complex and shared commercial kitchen on a vacant site on North Avenue just west of the Milwaukee River in Riverwest.

The Board believes that this project is a great addition to the Riverwest neighborhood and the North Avenue corridor. It provides an affordable housing alternative to people who want to live in Riverwest and, it also provides those individuals seeking an urban lifestyle a place to live that is within a short walking distance to nightlife, entertainment, and amenities on North Avenue and the East Side.

Please let us know if there is anything else we can do to show our support for this exciting development project.

Respectfully,

Polly Kaplan
President
The East Side Business Improvement District
