To the Public Improvements Committee

Subject: Common Council Resolution File Number 041239

Dear Honorable Members:

Returned herewith is Common Council Resolution File Number 041239, being a petition from Forest County Potawatomi Community of Wisconsin for a special privilege to install and maintain underground conduits under and across South 19<sup>th</sup> Street, south of West Potawatomi Circle, for the premises at 2301 West Canal Street.

There are to be four 2 inch diameter conduits. The purpose of said underground conduits is to carry power from an existing parking structure to a proposed parking lot to be constructed west of West Potawatomi Circle. Said underground conduits will cross South 19<sup>th</sup> Street approximately 3 feet south of the southline of West Potawatomi Circle at a minimum depth of 24 inches below ground.

We do not believe that the presence of said underground conduit will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolution, which, if adopted, will allow said conduits to occupy the public right-of-way.

Very truly yours,

Jeffrey S. Polenske, P.E.  
City Engineer

Jeffrey J. Mantes  
Commissioner of Public Works

Martin G. Collins  
Commissioner  
Department of Neighborhood Services
