

August 31, 2001

To the Honorable, the Common Council

Dear Honorable Members:

We are submitting for your consideration the attached resolution authorizing the Commissioner of Public Works to issue permits allowing excavation in South 13th Street and West St. Paul Avenue adjacent to the new Forest County Potawatomi Community of Wisconsin administration building for the purpose of installing utility laterals. The excavation permits will allow cutting into both streets where the pavement is less than three years old.

Please have this file introduced at the September 5, 2001 Common Council meeting. If you have any questions or would like additional information, please contact Thomas Miller at extension 3304.

Very truly yours,

Mariano A. Schifalacqua
Commissioner of Public Works
