City Plan Commission:

Please accept this letter on behalf of the Walker's Point Association. We wish to be on record in support the Walker's Point NID being presented today by Ann Pieper.

We feel Walker's Point businesses and residents will benefit immensely from the NID in creating a separate operating entity to improve our community. Along with the other stakeholders supporting the NID, we believe this is a vital step in continuing the prosperity, vitality and future of Walker's Point.

Thank you for your consideration.

Sincerely,

Kevin Wondra

President
