Per MCO 85-2.7-4, probative evidence concerning whether or not a new license should be granted may be presented on the following subjects: whether or not the applicant meets the municipal requirements, the appropriateness of the location and premises where the licensed premises is to be located and whether use of the premises for the purposes or activities permitted by the license would tend to facilitate a public or private nuisance or create undesirable neighborhood problems such as disorderly patrons, unreasonably loud noise, litter, and excessive traffic and parking congestion. PA-33E Narrative

On Sunday, January 24th, 2016 at approximately 4:06pm, Police Officer Paul HELMINIAK and I responded to Froedtert hospital for a trouble with subject complaint. Upon arrival we spoke with the victim, Stephanie J. AKER (F/W 06/29/80) who stated that she went to the Lucky Ginger bar with some friends. AKER stated that she found small marble like glass objects in the bottom of her glass of wine. AKER stated that she informed the bartender of the objects in her glass. AKER stated she thought that the glass objects came from the bottle of wine that was poured into her glass and that it was some sort of manufacturing defect. AKER stated the bar manager appologized for the issue and gave her a discount on her bill. AKER left the bar and went home. AKER stated that she began to feel ill and had stomach pain and diarrhea. AKER stated that she believed that the objects in her glass made her feel ill. Officer HELMINIAK and I went to the Lucky Ginger bar to review surveillance footage of the incident. We observed one of AKER'S friends to be the person placing the glass objects in AKER'S wine glass. We determined that the bar had nothing to do with the placing of the glass objects in the wine glass.
