To the Honorable, the Common Council

Subject: Common Council Resolution

Dear Council Members:

Attached is a resolution which, when adopted, will allow for the temporary occupancy of West Carmen Avenue between North Lovers Lane Road and North 117th Street.

The State of Wisconsin has contracted for the rehabilitation of U.S. Highway 45 and this includes the replacement of the deck of the northbound bridge that passes over West Carmen Avenue. This will require the closure of West Carmen Avenue to traffic during the demolition phase.

It is important to begin this work as soon as possible. Therefore, please introduce this file for immediate adoption under suspension of the rules at the April 10, 2001 Common Council Meeting.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer
