14th District
City Hall, Room 205

RE: 2372 South Logan Avenue Request for Proposal (RFP)

Dear Alderman Zielinski:

The purpose of this letter is to commit the Department of City Development to prepare and issue an RFP for the property located at 2372 South Logan Avenue within 45 days of the date of this letter. Specifically, the RFP will include the following parameters: up to 14 single-family, residential units along South Logan Avenue and 2.99 acres dedicated to park/open space use. Once an initial draft of the RFP is prepared, staff will meet with you to review. Upon issuance of the RFP, there will be a five weeks response time. After the RFP review committee meets, the selected proposal will be scheduled for Common Council for consideration. We look forward to working with you collaboratively on this development.

Sincerely,

Rocky Marcoux
Commissioner
