RE: "Title Only" Grant
Resolutions

Dear Mr. Owczarski:

This is to provide you with background information on the grant resolutions that the Health Department would like to be introduced:

HIV Women's Grant - This is continuing grant funded by the Medical College of Wisconsin. The funding will provide public health nursing case management to a targeted population of HIV infected women and their families.

Road Crew Grant - This is a new grant funded by the Wisconsin Department of Transportation. The grant project will essentially charge tavern owners and their customers using the service for transportation back home.

As always, thank you for your consideration of these "title only" resolutions. The files will be filled as soon as possible.

Sincerely,

Yvette M. Rowe
