Re: Franklin 2024 Water Contract

Mr. Korban,

On behalf of the Franklin Board of Water Commissioners, I am requesting that we start formal negotiations for wholesale water service with Milwaukee Water Works when our current contract with Oak Creek Water and Sewer Utility is set to expire April 4, 2024.

You should know that the Commissioners are also negotiating a contract extension with Oak Creek. However, upon a preliminary review of circumstances we believe that connection to Milwaukee Water Works appears to be a desirable alternative. A formal negotiation can confirm assumptions that we have made thus far.

Please advise how we can initiate this process.

Sincerely,
