

BOARD OF HEALTH

Mike Totoraitis, PhD
Commissioner of Health

MARCH 5, 2025

LIVING YOUR BEST LIFE.

AGENDA

- Department updates – PH 3.0
- MPS
- Communicable disease
- Federal updates

The image features a solid blue background. In the lower right quadrant, there are several concentric, semi-circular arcs in a lighter shade of blue, creating a ripple effect. Centered horizontally and slightly above the middle vertically is the text 'MPS' in a bold, white, sans-serif font.

MPS

CURRENT STATUS

MHD is investigating ongoing lead hazards in multiple MPS schools. A total of 3 children have been poisoned by lead hazards at their respective schools.

- **Phase 1: Assess and stabilize schools**
- **Phase 2: Screening of students and staff**
 - **March 15, 2025**

COMMUNICABLE DISEASE

The background is a solid green color. Overlaid on this are several concentric, semi-transparent green arches that resemble a stylized rainbow or a series of overlapping hills. A white speech bubble is positioned behind the text, pointing towards the right.

COMMUNICABLE DISEASE

MARCH UPDATE

- Active wastewater surveillance
 - H5N1
