Hi Phyllis, I hope you are well. I have taken on another project and I have attached an application and some pictures of the work I have done. I have attached the minutes from the last meeting and I would like to see if you can help me with the application. I would love to make an appointment for you to take a look at the porch if possible. The porch is in the back of the house and I would like to see if you can help me with the application. I would love to make an appointment for you to take a look at the porch if possible.

Thanks,
Larry B. Jones
