Greater Milwaukee  
**FOUNDATION**  
*greater together*

We, the Medical College of Wisconsin and the Greater Milwaukee Foundation, would like to meet you and have an open dialogue about building up our community and listening to opportunities for revitalizing the historic MLK building that once housed the Gimbels-Schuster's Department Store.

Feel free to stop in anytime during the open house and enjoy a bite to eat with us. There will be a short program at noon. We look forward to this being the start of an ongoing community conversation. Working together is important as we pursue a joint vision of **“A Milwaukee that is equitable, healthy and thriving for all.”**
