

1. Describe the proposed ordinance or resolution.

This resolution seeks to authorize the Department of Administration, Information & Technology Management Division (DOA-ITMD) to accept and fund a \$96,283.92 State & Local Cybersecurity Grant from the Wisconsin Department of Military Affairs, Division of Emergency Management. This grant will allow ITMD to implement contactless smart card readers that strengthen the City's Multi-factor Authentication (MFA) strategy thus improving cybersecurity capabilities for the City of Milwaukee.

2. Identify the anticipated equity impacts, if any, of this proposal.

None

3. Identify which minority groups, if any, may be negatively or positively impacted by the proposal.

None

4. Describe any engagement efforts with minority communities potentially impacted by the proposal.

None

5. Describe how any anticipated equity impacts of the proposal will be documented or evaluated.

None

6. Describe strategies that will be used, if any, to mitigate any anticipated equity impacts.

N/A
