Re: Notice of Nuisance Premises

Dear Veronica Nunn,

This letter is notice to you that the Milwaukee Chief of Police, by the chief's designee, the district commander, has determined that the premises located at **3867 N 25th St** ("the premises") is a nuisance pursuant to Milwaukee Code of Ordinances ("MCO") § 80-10, Chronic Nuisance Premises. As an individual or entity that is licensed or subject to a license in the operation of a business upon the premises, you are a responsible party for abating the nuisance activities occurring at the premises.

The Milwaukee Police Department has responded to the following described nuisance activities at the premises on the corresponding dates, which qualify the premises as a nuisance:

1. On Thursday, May 16th, 2025 at 11:00am, a call was placed to the Milwaukee Police Department for a shots fired at the residence. Officers did respond and investigate. It was determined the property owner was the one that fired the shots. **Crimes involving illegal use or possession of firearms (MCO 80-10-2-c-1-L)**
2. On Thursday, May 16th, 2025 at 11:00am, a call was placed to the Milwaukee Police Department for a shots fired at the residence. During this investigation it was determined a separate offence had occurred on May 15th 2025 at roughly 3:00pm. A separate call was created for that incident. That incident was shots fired on the property by the property owner. Officers did respond and investigate. **Crimes involving illegal use or possession of firearms (MCO 80-10-2-c-1-L)**

As a consequence, you may be subject to a collections action for the cost of future enforcement for any of the nuisance activities listed in MCO § 80-10-2-c that occur at the premises.

You are directed to respond to my office within 10 days of receipt of this notice with an acceptable, written course of action that you will undertake to abate the nuisance activities occurring at the premises, or file an appeal. You may appeal this nuisance determination to the Administrative Review Appeals Board. Any appeal must be in writing and a processing fee will

Once you have been billed for the costs of police services and enforcement for three or more separate nuisance activities within one year of the date of this notice of nuisance premises, the premises may be designated a chronic nuisance, pursuant to MCO § 80-10-6, and each and every subsequent incident of nuisance activity at the premises may be deemed a separate violation and result in a citation being issued to you for failure to abate the nuisance activity. Each citation would subject you to a forfeiture of not less than \$1,000.00 or more than \$5,000.00. Upon default of payment of a chronic nuisance citation you would be subject to imprisonment in the county jail or house of correction for a period of not less than 40 days or more than 90 days for each violation.

Please contact P.O. Christopher SCHLEI at 414-935-7504 with any questions, and I look forward to hearing from you.

1. On Thursday, May 16th, 2025 at 11:00am, a call was placed to the Milwaukee Police Department for a shots fired at the residence. Officers did respond and investigate. You are directed to respond to my office within 10 days of receipt of this notice with an acceptable, written course of action that you will undertake to abate the nuisance activities occurring at the premises, or file an appeal. You may appeal this nuisance determination to the Administrative Review Appeals Board. Any appeal must be in writing and a processing fee will

be charged. Please contact the Office of the City Clerk at (414) 286-2231 for additional information.

If you elect to provide a written course of action, I shall evaluate it to determine if it is a reasonable attempt at abating the nuisance activity.

Prior to responding with a written course of action, it is highly recommended that you obtain records relating to police responses regarding the premises. You may obtain these records from the Computer Aided Dispatch System (CADS) at the Open Records Section of the Milwaukee Police Department (District Three Station, 2333 North 49th Street, Second Floor) between 8:00 AM and 3:45 PM. There is a cost of 25 cents per page for these records.

Once you are able to determine the type of nuisance activity occurring at the premises, please review the following examples of nuisance abatement measures that you may include in your written course of action to abate the nuisance activity. These suggestions are not exclusive, may not apply to the particular premises, and you may propose other nuisance abatement measures that would be appropriate under your particular circumstances.

- Exchange names and telephone numbers with the owners and operators of neighboring premises.
- Participate in a local block watch, neighborhood association, and business association.
- Attend the monthly crime prevention meetings conducted by the local Milwaukee Police District Community Liaison Officer who can be contacted at 414-935-7258.
- Monitor the property for evidence of drug activity. This may include observation of clear corner cuts of baggies strewn about, excessive quantities of plastic sandwich baggies found in odd places, presence of numerous weight scales or communication devices and drug paraphernalia such as unusual pipes, empty cigar wrappers, burned hollow tubes, etc.
- Install "No Loitering" signs in the front and rear of the exterior of the premises. This signage permits police to cite loitering individuals in the yard and sidewalk area.
- Install "No Trespassing" signs in the front and rear of the exterior of the premises. This signage permits police to cite trespassers in commercial properties.
- Participate in the E-Notify system for email updates regarding the premises.
- Regularly file open records requests for Milwaukee Police Department Computer Aided Dispatch System (CADS) reports regarding the property.
- Institute a standing complaint with the local Milwaukee Police district station that will allow the police department to remove any individuals loitering on the property.
- Draft and serve a no trespassing order against identified nuisance persons and provide the local police district station a copy of the served order.
- Install and maintain a digital security surveillance system.
- Employ security personnel.
- Enroll in Respect 21 or MARTS program (contact CLO for more information)

If you propose a course of action which is rejected by me or fail to timely respond to this request, and a subsequent nuisance activity occurs on or after 13 days after receipt of this notice, you will be subject a collections action for the cost of any police services and enforcement.

Once you have been billed for the costs of police services and enforcement for three or more separate nuisance activities within one year of the date of this notice of nuisance premises, the premises may be designated a chronic nuisance, pursuant to MCO § 80-10-6, and each and every subsequent incident of nuisance activity at the premises may be deemed a separate violation and result in a citation being issued to you for failure to abate the nuisance activity. Each citation would subject you to a forfeiture of not less than \$1,000.00 or more than \$5,000.00. Upon default of payment of a chronic nuisance citation you would be subject to imprisonment in the county jail or house of correction for a period of not less than 40 days or more than 90 days for each violation.

Please contact P.O. Christopher SCHLEI at 414-935-7504 with any questions, and I look forward to hearing from you.
