To the Public Improvements Committee

Dear Honorable Members:

The attached substitute resolution authorizes and directs the Commissioner of Public Works to fund a portion of the Urban Storm Trees and Green Best Management Practices program from the Sewer Maintenance Fund. The program is only partially funded at present and needs additional funding to be completed as designed. The program will be conducted by the Environmental Services Section of the Operations Division of the Department of Public Works.

We recommend adoption of the attached resolution.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer
