Please provide the following information:

1. Description of Grant Project/Program (Include Target Locations and Populations):

The FEMA-Assistance to Firefighters Grant is an on-going grant program with the overall objectives of increasing the preparedness and fire protection activities of fire departments throughout the country. The Milwaukee Fire Department's application reflects the FEMA-AFG goals to enhance firefighter safety and the ability to respond to emergency incidents.

2. Relationship to City-wide Strategic Goals and Departmental Objectives:

City of Milwaukee Strategic Plan:

Strategic Goal: Protect Milwaukee's citizens from crime, fires, and other hazards

3. Need for Grant Funds and Impact on Other Departmental Operations (Applies only to Programs):

These funds will augment City and grant funding related to upgrading the City's radio infrastructure and increasing interoperability among first responder agencies.

This grant will be used by the Milwaukee Fire Department to purchase 175 hand-held radios and related equipment. This will allow the department to equip all on-duty emergency responders with an individual radio.
