I have lived in the Brady and Marshall Street area for many years. I have owned and operated businesses on Brady Street for 60 years. My brothers and I opened Glorioso Food Store in 1946 and is still in operation. Opened Trio's Pizza in 1952 to 1962. Opened Glorioso's Italian Villa from 1962-1980. Opened Gold Imports in 1981 and is still in operation.

I am currently the President of the Unico Foundation.

We have participated in the Brady Street Area Merchants Association and the Brady BID for many years and continue to support the Brady Street neighborhood.

I look forward to renewing my directorship to the Brady Street BID #11 to continue to help improve and develop the Brady Street area.
