Project/Program Title: Ecocultural Family Interview Assessment Grant

Grantor Agency: University of Wisconsin-School of Medicine and Public Health

Grant Application Date: October 2007

Anticipated Award Date: 03/01/2008

Please provide the following information:

1. Description of Grant Project/Program (Include Target Locations and Populations):

The Ecocultural Family Interview Assessment of MHD Home Visiting Clients is to assist in the development of effective client care plans in order to improve services provided to parents enrolled in the MHD Home visiting program. The development of the tool will be piloted in a sample of home visiting programs. Clients from the MHD home visiting programs will be asked to test the assessment tool and care plans designed as follow-up to the information received. The use of this assessment has been successfully applied in homes with children with disabilities and is evidence-based to provide the environmental and cultural information missing in general health assessments when reaching low-income, high risk families. Data show that more detailed needs are identified to enable a better linking of individuals to service needs. As a result improvements will be noted in health, well-being and self-sufficiency of at risk low income families.

2. Relationship to City-wide Strategic Goals and Departmental Objectives:

This program meets the strategic goals of addressing disparity in birth outcomes and also the reduction of infant mortality

3. Need for Grant Funds and Impact on Other Departmental Operations (Applies only to Programs):

This grant fully covers one full-time Project Manager and one office assistant.

4. Results Measurement/Progress Report (Applies only to Programs):

Annual reports will be generated on select criteria as outlined in the grant.

5. Grant Period, Timetable and Program Phase-out Plan:

Grant to begin on September 1, 2008 through March 26, 2009.

Grant is a three year grant subject to approval of Year 2 and 3 upon approval of the Grantor's next 5-year fiscal budget.

6. Provide a List of Subgrantees:

This grant will be based on a partnership with individuals from UW-Madison and UCLA. A number of consultants also are budgeted into the grant to provide technical assistance in the design and data analysis sections.

7. If Possible, Complete Grant Budget Form and Attach.
