Honorable Cavalier Johnson
Alderman, 2nd Aldermanic District
Room 205, City Hall

SUBJECT: 2ND ALD. DIST. - FILE #181583
INSTALL STOP SIGNS ON NORTH 101ST STREET
AT WEST BENDER ROAD

Dear Alderman Johnson:

This is in response to a request we received from a local resident to install the above-captioned traffic control.

Our traffic engineering staff has investigated this request and found that sight obstructions exist on the northeast and northwest corners of the intersection in the form of a hill and a bush that would reduce the safe approach speed and thereby warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the stop control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Sincerely,

Samir Amin, P.E.
City Engineer

Honorable Robert Bauman
Alderman, 4th Aldermanic District
Room 205, City Hall

SUBJECT: 4TH ALD. DIST. - FILE #181583
INSTALL ALL-WAY STOP ON
NORTH ASTOR STREET AND
EAST STATE STREET

Dear Alderman Bauman:

This is in response to your request on behalf of a local business owner to install the above-captioned traffic control restriction.

Our traffic engineering staff has investigated this request and found that the accident data received from the Milwaukee Police Department revealed an increase in accidents at this intersection that would warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the all-way stop control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Sincerely,

Samir Amin, P.E.
City Engineer
