Item: 200750 Communication relating to public comments on the Mayor's Proposed Executive Budget for 2021 (Joint Public Hearing).

eComment: I write to express my disappointment in the proposed budget. I'd like a budget that better reflects what Milwaukee needs: a stimulus for anti-poverty efforts & violence-prevention. This budget is short sighted in its attempt to address crime, poor health, infrastructure needs, and more. I also want these addressed but, unfortunately, these temporary fixes will not lead to progress. We must invest in long-term solutions to address poverty & violence while developing as a city. To afford this we need to deflate the police budget this year by \$75 million & redirect that commitment to progress.
