To The City of Milwaukee

On the day of may 3, 2005 around the time of 11:00 am ^{at 2124 west middle mass} my grandma noticed the street sweeper get really close to my car (#41001) later that day when I came home from work my grandma told me to check my car so I did. I then seen the white trail that the sweeper leaves behind on our street really close to my car then swerve in toward the curb; that is when I seen a scratch about 4-5 inches long and about an inch wide on the left front corner of my bumper. We immediately call the city and they said they would send us some info, and that I would need some estimates so I received two, and the cost to repair the damages will be 451.97. Thank you
