Subject: Case No.160539

Historic Preservation Commission:

Please accept this letter on behalf of the Walker's Point Association. We wish to be on record in support the resolution relating to the permanent historic designation of the South Second Street Historic Designation in the 12<sup>th</sup> Aldermanic District. We feel Walker's Point and this neighborhood is undergoing strong revitalization based on the historic roots of this area. With other stakeholders, we believe this area is a vital asset to be preserved based on the historic context of the neighborhood.

Thank you for your consideration.

Sincerely,

Kevin Wondra

President  
Walker's Point Association
