*Raed M. A. Abdelrahman, applicant
2778 N. 59th St., Milwaukee, WI 53210*

No neighborhood testimony.

Legislative assistant Megan O'Connor, on behalf of Ald. Michael Murphy in the 10th aldermanic district, testified that the alderman tried to contact the owner of the store over the weekend and did not get an immediate call back from the owner until yesterday. The alderman was concerned with the purchase of untaxed cigarettes as indicated in the police report and the poor appearance of the store. The store has cardboard boxes hanging out of its windows.

Mr. Abdelrahman testified. He couldn't immediately call the alderman due to the holiday. The items on his police report were a result of one mistake. He will work with the landlord on the disrepair of the store. His brother was the one to accept the purchase of cigarettes from a person who walked into the store and who was not a wholesaler.

Ald. Kovac moved approval with a warning letter based on the police report and aldermanic office testimony. (Failed 2-2) Ayes: Kovac, Coggs; Noes: Dudzik, Zielinski; Excused: Perez

Ald. Zielinski passed the gavel to Ald. Coggs.

Ald. Zielinski moved approval with a ten (10) day suspension based on the police report and aldermanic testimony.

Atty. Stephens said that the police report and the disrepair condition of the store did not merit a penalty beyond issuance of a warning letter; however, such a penalty given could be based on a lack of management and proper response to the Committee concerning the issues of the untax cigarettes and disrepair of the store.

Ald. Zielinski amended his motion and moved approval with a ten (10) day suspension based on aldermanic office testimony, applicant testimony, and the lack of a proper response by the applicant. (Prevailed 3-1-1)

07 JEWELL, Sherlise A, Agent for "SRJEWELL ENTERTAINMENT LLC", Class B Tavern and Public Entertainment License Renewal Applications Removing the 25+ Age Restriction and Adding Poetry, 1 Amusement Machine, Patron Contests, Comedy, and Dancing by Performers for "GLORY DAAZE II BAR & GRILL" at 4200 W BURLEIGH St. (expires 9/15/2013)

*Sherlise A. Jewell, Agt., represented by counsel, Atty. Patrick Brennan
6546 N. 55th St., Milwaukee, WI 53223*

*Also appearing with Ms. Jewell and Atty. Brennan:
Rickey Jewell, 6546 N. 55th St., Milwaukee, WI 53223*

Atty. Brennan, Ms. Jewell, and Mr. Jewell did not acknowledge receipt of the notice of the hearing dated July 1, 2013. They acknowledged receipt of the notice of the hearing dated June 26, 2013.

Ald. Coggs moved to enter a letter, from Atty. Brennan, dated October 30, 2012 addressed to City Attorney Nicholas DeSiato into the record. There were no objections.

Commander Jutiki Jackson, Milwaukee Police Department District 7, testified in opposition. He has worked in MPD for about 20 years, District 7 for 2 years, recently 18 months in the Neighborhood Task Force (NTF), and 2 weeks to the present as Commander of District 7. During his tenure in NTF he was tasked with deployments and strategies, often with Glory Daaze. To him, Glory Daaze has been a violent site over many years. He conducted an analysis for CAD systems and calls for service, which showed within last year more than 25 calls for service for Glory Daaze. The

analysis also showed that Glory Daaze was the second most violent site in the district. These calls for service to Glory Daaze have been a drain on police resources. Many times multiple squads, some from other areas of the City, would respond to these calls at Glory Daaze. The tavern has accounted for a disproportion amount of violent crime including first degree intentional homicide, second degree reckless endangering safety, endangering safety by use of dangerous weapon, reckless use of firearms, shots fired, violence, and arm robberies. These crimes have had a negative impact on the neighborhood. Shots fired incidents at or near the site have struck places and victims in the neighborhood. This place operates almost as a safe haven for violence and criminal activity. Glory Daaze is the only establishment opened at night whether people are leaving tavern or people driving past the tavern.

Officer Brian Larogue, Milwaukee Police Department District 7, testified in opposition. Assigned as the license premise squad officer in area, he was on duty to respond to the shots fired incident on 6/20/13. Several casings were recovered in the various locations. A parked green truck on Glory Daaze's parking lot belonging to Martel Booker, who was the manager on duty at Glory Daaze, was struck by one bullet. The shooting resulted from an incident in parking lot of Glory Daaze between individuals. Video footage obtained voluntarily from Mr. Booker, police incident reports, and witness investigation revealed to police and Officer Larogue that the shots fired on 6/20/13 stemmed from an unknown individual and employees of Glory Daaze. The unknown individual came to Glory Daaze's parking lot from the rear alley north of the lot carrying something black in his hand. The individual would drive a car recklessly over a barricade and almost striking two people. Later, there were individuals pointed what appeared to be guns on the parking lot towards each other. The suspect then appeared to fire rounds towards the green truck on the lot causing the other individuals to flee. The case is an ongoing investigation.

Officer Larogue further testified. Three firearms from Mr. Booker, a security guard, and Mr. Sanford was recovered and placed on police inventory as part of the investigation of 6/20/13. Mr. Sanford was a DJ of Glory Daaze who was not on duty that night. During conversations with Mr. Booker, Mr. Booker has told him that he did not have a manager's license. Also, Mr. Booker has told him that he was legally armed with a gun all the time and appeared armed with a gun walking out to speak with Officer Larogue on the parking lot of Glory Daaze on 6/28/13. Mr. and Mrs. Jewell told Officer Larogue via a phone conversation on 6/28/13 that they have not given permission for employees to bring guns and to be armed at the tavern.

Ald. Dudzik moved to enter exhibits 1 through 8, submitted by Atty. DeSiato, into the record. There were no objections. The exhibits depicted photos of video surveillance on the parking lot of Glory Daaze on the night of 6/20/13.

Ald. Dudzik moved to enter incident reports, submitted by Atty. DeSiato, into the record. There were no objections.

Mr. Jewell testified. He and his wife do not allow guns in the tavern and have not been aware of any employees being armed with guns in the tavern since the tavern opened for business in 2008. Employees have been told to not carry and be armed with guns at the tavern. There is a "no weapons" sign on a window at the tavern. Mr. Sanford and Mr. Booker were on the parking lot of the tavern on the night of 6/20/13. Despite police telling him by phone of his employees being armed, Mr. Booker told him that he does not carry guns or is armed at the tavern. Mr. Jewell believed Mr. Booker and did not find reason to discipline employees. The time stamp in the video surveillance on 6/20/13 is twenty minutes early from the actual time.

Atty. Nicholas DeSiato, Assistant City Attorney, appeared in opposition on behalf of the Milwaukee Police Department. He said that Glory Daaze has a history of gun activity there that is getting worse. Also, he said that there are serious issues in the police report that included numerous events leading to shots fired incidents and overcapacity incidents at the tavern.

Ald. Wille Wade, 7th aldermanic district, testified. Glory Daaze has only received warning letters in the past. His office has received only one call from a constituent complaining of Glory Daaze. Glory Daaze is one block away from a 24 hour gas station. The argument of a drain on police resources due to Glory Daaze should be called into question. The presence of police responding to Glory Daaze is considered a drain on police resources despite being minuscule when compared to a substantially larger police presence provided to establishments located downtown on Water Street, Summerfest, and Miller Park. Police resources are not being provided equally to other areas of the city.

No neighborhood testimony.

Mr. Jewell further testified. He and his wife have put forth effort to minimize issues at the tavern such having an ID scanner, a hand held metal detector, and daily security guards. They have made efforts to communicate with neighbors. They are open to go beyond current parameters to make improvements. Incidents mentioned in the police report are from altercations from inside the club but rather incidents outside the club or in the area out of the tavern's control. Patrons ejected from the tavern and people refused from entering the tavern have threatened to shut the tavern down and fire their guns at or near the bar. He and his wife are frequently at the bar but trusts Martel Booker to manage the tavern. Mr. Booker has been employed at Glory Daaze for about 3 to 4 years. There are fifteen employees total at the bar with almost all of them, except one or two, who would work there on a nightly basis. Mr. Jewell only has seen footage of the suspect encountered by his employees. He was not aware of the reckless driving of the suspect prior to the encounter and any guns being drawn.

Ms. Jewell testified. She was not aware of any guns being drawn on 6/20/13, but was told by Mr. Booker of an individual driving around recklessly on 6/20/13. She has confronted Mr. Booker about being armed with a gun, but Mr. Booker has said that he does not arm himself with a gun at the tavern.

Atty. Brennan said closing remarks. There is no neighborhood testimony. Incidents in the police report reflect events that happened to occur outside of the bar or in the area and not from inside the tavern. Glory Daaze has cooperated with police with providing to police surveillance videos of the tavern. A decision based on the 6/20/13 shots fired should be reserved.

Ald. Dudzik moved denial of 1 Amusement Machine, Patron Contests, Comedy Acts, Dancing by Performers, and approval with a ninety (90) day suspension of the Class B Tavern and Public Entertainment Premises licenses based on all testimony given and the police report items (dated 5/30/12, 7/18/12, 7/22/12, 8/11/12, 11/11/12, 3/21/13, 4/27/13 and excluding items that the counsel to the agent objected to) that showed poor management, overcapacity, and lawlessness at Glory Daaze. Ald. Dudzik further moved approval of the Removal of the 25 Years and Older Age Restriction and Poetry. (Prevailed 3-2)

A motion was made by ALD. DUDZIK that this Motion be AMENDED. This motion PREVAILED by the following vote:
