Executive Director Todd,

I understand that the FPC will be considering the promotion of Lieutenant Herb Glidewell at their meeting tomorrow. I ask that you communicate my support for Mr. Glidewell as I have had the pleasure of working with him in his capacity as Acting Captain for District 6 which includes my district.

He has demonstrated his commitment to community policing by supporting two extremely visible community liaison officers.

In addition, under his leadership which I found to be highly communicative, his officers treated victims of crime in a sensitive and caring way that improved officer -community relations. Even knowing that this promotion takes him away from my district, I'm elated to hear of the Chief's intent to have him serve the city at a new level.
