ATTN: CLAIMS
200 East Wells Street, Room 205

Dear Sir;

On Thursday, July 17, 2008, a dead tree branch went through the top of my windshield. Before my family and I left at 9:30am, I moved my car from behind my parent's garage, to across the street from my house for the night. Then my family and I left at 9:30am to go do some shopping. We came back home at 6:30pm. I went to my car, intending to go to the library. I first unlock my door, and then I look inside and saw a tree branch wedged between the front passenger seat, the middle console and the seat belt fastener. I then look at the front of my car and I saw a, roughly, 5'9" branch sticking out of the top of the windshield.

The license plate number of my car is: 858-MJK. It's a red 1998 Plymouth Neon 4 door Sedan. The number and the legal parking permit for my car are: 501679Q308K Expires: 09-30-08.

Sincerely,

Ann O'Keefe
