..Title
Substitute resolution amending the City's Legislative Package to seek introduction and passage of state legislation relating to municipal licensing procedures.

..Analysis
This resolution amends the City's Legislative package to seek introduction and passage of state legislation that allows municipalities to issue both 6-month and 12-month licenses for all license types the state currently requires to be issued as 12-month licenses.

Whereas, Revoking or not renewing a license can cause a negative economic impact on a neighborhood; and

Whereas, Issuing or renewing a license despite the presence of concerns about the applying business can also cause adverse impacts on local neighborhoods; and

Whereas, Municipal licensing committees must balance these two important concerns, but are constrained to the binary choice of renewing or denying a license application; and

Whereas, The ability to issue 6-month probationary licenses would provide municipalities a middle-ground option to address concerns while still allowing the businesses to continue operations; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that the City's Legislative Package is amended to direct that changes be sought to state statutes that would allow municipalities to issue 6-month and 12-month licenses for all license types the state currently requires to be issued as 12-month licenses; and, be it

Further Resolved, that Common Council Resolution File Number 220724 is amended by inserting the following item in the document attached to the file and identified as "Amended State Legislative Package"; and, be it

Local Control & Flexibility	Common Council	Seek introduction and passage of State legislation to allow municipalities to issue 6-month and 12-month licenses for all license types the state currently requires be issued as 12-month licenses.

Further Resolved, That the City Clerk shall forward copies of this resolution to members of the City of Milwaukee’s delegation to the Wisconsin Legislature.
