Subject: Opposed To Live Nation / Ticketmaster New Concert Venues

Live Nation's proposed development threatens the very existence of Turner Hall, Cactus Club, Miller High Life Theatre, The Pabst Theater, The Riverside Theater, Shank Hall, The Rave/Eagles Club, and many other iconic neighborhood music stages, which make Milwaukee's live music scene a jewel among the nation. Local theatres mean the world to me and seeing them shut down would be a travesty. The Pabst family put so much love and money into their venues and I believe they should remain without competition to snuff them out. Ticketmaster/Live Nation are not for the people! Please oppose the Live Nation/Ticketmaster concert venue project. Thank you.
