To the Honorable, the Common Council

Dear Council Members:

Attached please find a resolution which rescinds special privileges for which the items granted permission to encroach into the public right-of-way have been removed to the satisfaction of the Commissioners of the Department of Neighborhood Services and the Department of Public Works.

The Department of Public Works has been notified that the special privileges are no longer needed because the items permitted had been removed from the public right-of-way. For these items, site visits were made to confirm that the items in question have been removed satisfactorily.

Only the Common Council can rescind its resolutions. Thus, in order to release the special privilege grantees from the annual fee, bonding and insurance requirements of their special privileges, which are no longer needed, the attached resolution has been drafted. Additionally, the attached resolution, if passed, will allow for efficient management of special privileges.

Very truly yours,

Jeffrey S. Polenske, P.E.  
City Engineer

Jeffrey J. Mantes, P.E.  
Commissioner of Public Works

Martin G. Collins  
Commissioner  
Department of Neighborhood Services
