Bill has been working with Peter Moede, Managing Partner of CenterPointe Yacht Services LLC and Building 41, LLC, since 1999 as a Project Manager and a Construction Manager. Bill was directly responsible for all construction services from scheduling and budgeting to bld management and cash flow analysis for the Tannery office complex in Milwaukee and the Shipyard redevelopment in Sturgeon Bay. In the early 2000's Bill worked with the DNR to lay the groundwork for the Hank Aaron State Trail that now passes thru the Reed Street Yards. Bill currently manages the rehabilitation of the buildings west of Reed Street Yards for River Place Lofts LLC. Prior to working for Peter, Bill worked for Beyer Construction.
