To the Public Works Committee

Subject: Connecting Highway Relocation
U.S. Highway 18
West State Street, West Wells Street, and
North 17th Street

Dear Honorable Members:

The designation of U.S. Highway 18 on the Connecting Highway System is to be relocated to West Highland Boulevard from West State Street, West Wells Street, and North 17th Street from North 6th Street to North 17th Street. This relocation includes new agreements for Traffic Signal operation and maintenance and will result in an annual reduction of \$11,929 in State aid in Connecting Highway funds.

We have, therefore, prepared the attached resolution, which authorizes Commissioner of Public Works and Comptroller to enter into an agreement with the Wisconsin Department of Transportation for the relocation of the Connecting Highway route of U.S. Highway 18 and to enter into agreements for the operation and maintenance of traffic control signals along the relocated route in the 4th Aldermanic District.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Jeffrey J. Mantes
Commissioner of Public Works
