

City-County Heroin Opioid Cocaine Task Force *Next Steps: A Discussion*

Tiffinie Cobb, MPH

Office of Policy, Strategy & Analysis

What do we want to accomplish as
a collective this year?

What will it take to be successful?

How will we be accountable
for our achievements?

What/Who is missing from the Task
Force's work?

What is this group's next steps?
How do we move forward?

Thank You!
